

Beautiful Tomorrow

Park Hyo Shin

Beautiful Tomorrow Lyrics English
I can't imagine
Even I close my eyes
Loved that much
You, who I loved
No matter how many times
If it's a dream
I, who blamed you again
I'm sorry and sorry again
Because of you, I'm still
Because of you, It's too hurt
While walking calmly
I cry every step by step
And I close my wet eyes
Because of you
I was happy during that time
Now I'm regret as you did
It's only you who can love me perfectly
Because of you, Today as well
Because of you, I'm alive narrowly
While walking on the memories
I laugh every step by step
And I close my wet eyes
Because of you
I'm okay
Because of you
One day if we meet
I'll smile without saying
Because of you
Yes, you were me
Make me cry even just looking at
You're my forever lover
Beautiful Tomorrow
I'll be here as same as that time
Because of you
