Superman (Club Mix) [feat. Bucie]

Black Coffee

You know
I've been hurt so many times
It got to a point
When I decided
I can't do this any more
I need someone to hold meI need someone that needs me
I need someone that loves me
Can you be my superman?
Can you be my superman?
Will you be my superman?
Will you be my superman?Superman
Superman
Superman
SupermanYou know
We don't have to be dramatic
Just romantic
Do all the little things
The little things, little things, little things
That excites me
As your woman
Give me a kiss goodnight
Over the phone
When you working late
When you're out of town
Tell me how much you need it
'Cause we deserve it
We can be togetherCan you be my superman?
Can you be my superman?
Can you be my superman?
Can you be my superman?Superman, supermanWhen I think of you
You make me smile
And I couldn't help it
Hope that this would work
I feel like you've been made for me
You're just too perfect
And the funny thing is
I just can't control myself
I never thought that I could be anyone else
Until you came in to my life

And you showed me there is loveAnd I think I love you
That's too soonSuperman
Superman
Superman
Superman
