

3rd Ward Solja

Juvenile

You gone take them 5
Or you gone take them to the trial and go get denied?
By that probation and you just got
Caught with that fry, that alibi ain't gone work
Ain't it somethin' how them niggas
From out that three be doin' that dirt?
Score a quarter from oh oh, rock it up by four-four
Then you can go in them hallways and smoke that fire all day
Shh, be quiet, tonight is the night that we ride
Thirty camouflage hummers with niggas inside
With choppers doin' surgery on bodies like head doctors
Be quiet, 'cuz they mad tonight, we gone act a ass tonight
I'ma take a body to that project for a sacrifice
That Calliope got that dope for less
Fuck around that bitch if you want and get left
Brains hangin' off the steps, people cryin'
