

My Island Home

Christine Anu

Six years I've been in the city
And every night I dream of the sea
They say home is where you find it
Will this place ever satisfy me
For I come from the saltwater people
We always live by the sea
Now I'm down here living in the city
With my man and my family My island home
My island home
My island home is waiting for me
My island home
My island home
My island home is waiting for me
In the evening the dry wind blows
From the hills and across the plain
I close my eyes and I'm standing
In a boat on the sea again
And I'm holding that long turtle spear
And I feel I'm close now
To where it must be
And my island home is waiting for me For I come from the saltwater people
We always live by the sea
Now I'm down here living in the city
With my man and my family And my island home
My island home
My island home is waiting for me
My island home
My island home
My island home is waiting for me
My island home
My island home
My island home is waiting for me
My island home
My island home
My island home is waiting for me My island home
My island home
My island home
My island home
My island home

My island home
