

# It's Joy

## Newsboys

Im filled with joy, joy, joy, unspeakable joy  
Talk to Father God, unspeakable joy  
Unspeakable joy  
He has my heart, body and soul, unspeakable joyIm singing with joy for what I have won  
A brand new life believing in You  
Ive got to thank Him for what He has done  
Praise Him for what He will doIm talking about joy, joy, joy, unspeakable joy  
Hands up in the spirit, unspeakable joy  
Oh, glory to the Father, unspeakable joy  
To His only Son, unspeakable joyIm singing with joy for what I have won  
A brand new life believing in You  
Ive got to thank Him for what He has done  
Praise Him for what He will do, yeah, yeah, yeah, yeahSo you want joy, unspeakable joy  
Then give your heart to Jesus, unspeakable joy  
D-d-d-dance, unspeakable joy  
Everybody sing, sing, sing, unspeakable joyIm singing with joy for what I have won  
A brand new life believing in You  
Ive got to thank Him for what He has done  
Praise Him for what He will do, yeah, yeah, yeah, yeah
