Hurt (Home School Valedictorian) (2011)

Adelitas Way

I know we've seen some better days
But I never thought it got that bad
You told me love dies, people change
But I never thought you'd light the matchI need you every time that I'm alone
I feel you, please don't goAnd I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
So let's do it again
I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
Let's do it againAnd now we go our separate ways
In a story that seems so sad
Am I a distant memory
Like a stranger you never even metI need you every time that I'm alone
I feel you, please don't goAnd I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
So let's do it again
I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
Let's do it againAnd I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
So let's do it again
I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
So let's do it againAnd I know you lie to hurt me
Say that I'm not worthy
I pop another pill, I take another hit
So let's do it again
