

# I Sing the Body Electric

## Me First and The Gimme Gimmes

I sing the body electric  
I celebrate the me yet to come  
I toast to my own reunion  
When I become one with the sun And I look back on Venus, I look back on Mars  
I burn with the fire of ten million stars  
And in time and in time we will all be stars I sing the body electric  
I glory in the glow of rebirth  
Creating my own tomorrow  
When I shall embody the earth And I'll serenade Venus, I'll serenade Mars  
I'll burn with the fire of ten million stars  
And in time and in time we will all be stars And I'll look back on Venus, I'll look back on Mars  
I'll burn with the fire of ten million stars  
And in time and in time we will all be stars Yeah  
How's the town difference?
