My mercury's in retrograde  
My mercury's in retrograde  
Merc-merc-mercury's in retrograde  
My mercury's in retrogradeMercury, mercu-mercury's in  
Mercury, merc-merc-mercury's in  
Mercury, mercu-mercury's in  
Mercurys in retrogradeThis is not the time, the time to start a new love  
This is not the time, the time to sign a lease  
Try not to worry about what's forgotten  
Try not to worry about what's been missedScars on my shins and scars on my knuckles  
Today I woke up in a basketball court  
John Joes in Sydney and he ain't returning  
I'm sitting in Soho trying to stay drunkIn any bar in the world  
From Silver lake to Williamsburg  
You could pick another stranger  
And fall in loveMercury, mercu-mercury's in  
Mercurys in retrograde  
Mercury, mercu-mercury's in  
Mercurys in retrogradeThis is not the time, the tie to start a new love  
This is not the time, the time to sign a lease  
Try not to worry about what's forgotten  
Try not to worry about what's been missedBleeding gums and veins protruding  
You're starting to hate all of your clothes  
The Mayor's in LA and she ain't returning  
I'm sleeping with people I don't even likeIn any part of the world  
From Silver Lake to Williamsburg  
You can pick another stranger  
And fall in loveMercury, mercu-mercury's in  
Mercurys in retrograde  
Mercury, mercu-mercury's in  
Mercurys in retrogradeMercury, mercu-mercury's in  
Mercurys in retrograde  
Mercury, mercu-mercury's in  
Mercurys in retrogradeWhen I saw you last night I wanted to say  
Run away with me, away from the cynics  
That this could be the start of something truly real  
But all that I could say was 'Hey'  
Was 'Hey', was 'Hey', was 'Hey'Mercury, mercu-mercury's in  
Mercurys in retrograde

Mercury, mercu-mercury's in  
Mercurys in retrogradeMercury, mercu-mercury's in  
Mercurys in retrograde  
Mercury, mercu-mercury's in  
Mercurys in retrograde  
Mercurys in retrogradeMy mercury's in retrograde  
My mercury's in retrograde  
Merc-merc-mercury's in retrograde  
My mercury's in retrograde
