I'm So Lonesome I Could Cry

Wynonna Judd

Hear that lonesome whippoorwill

He sounds too blue to fly

The midnight train is whining low

I'm so lonesome I could cryI've never seen a night so long

When time goes crawling by

The moon just went behind a cloud

To hide his face and cryAnd did you ever see a robin weep?

When leaves begin to die

That means he's lost the will to live

I'm so lonesome I could cryThe silence of a falling star lights up a purple sky

And as I wonder where you are

I'm so lonesome I could cry

And I'm so lonesome I could cry
