

Show Me Love

Robyn

Yeah, yeah, yeah, yeah, yeah
Always been told that I've got too much pride
Too independent to have you by my side
But my heart said all of you will see
Just won't live for someone until he'll live for me
Never thought I would find love so sweet
Never thought I would meet someone like you
Well now I've found you and I'll tell you no lie
This love I've got for you could take me 'round the world
Now show me love
Show me love, show me life
Baby show me what it's all about
You're the one that I ever needed
Show me love and what it's all about, alright
Don't waste this love, I wanna give it to you
Tell me what you got, show me what you can do
Show me love, show me everything
I know you've got potential
So baby let me in and show me love
Show me love, show me life
(Alright)
Baby show me what it's all about
You're the only one that I ever needed
(Show me love)
Show me love and what it's all about, alright
Show me love
(Love show me)
Show me life
(Show me life)
Baby show me what it's all about
(And what it's all about)
You're the one that I ever needed
Show me love and what it's all about, alright
Show me love baby
Show me everything you've got and show me life
Show me love baby
Show me everything and what it's all about
You're the one, the only one I ever needed
Show me love and what it's all about, alright

I'll love you, I'll miss you
I'll make sure everything will be alright
I'll give you my heart if you just give me love
Every day and every night
Show me love
(Yeah, yeah)
Show me life
(Show me life)
Baby show me what it's all about
(And what it's all about)
You're the one that I ever needed
(Show me love)
Show me love and what it's all about, alright
Show me love
Show me life
(Alright)
Baby show me what it's all about
You're the one that I ever needed
Show me love and what it's all about, alright
