

Stay

Yvonne St. Germaine

Stay

Stay, don't let HIM fade away
you felt HIS PRESENCE, MERCY AND GRACE
stay

You surrendered all I see is pain,
you were born again IN HIS HOLY NAME
stay

Don't let HIM fade away
you're COVERED IN HIS BLOOD
no harm can come your way
stay

Do you remember JESUS HOW HE GLORIFIED HIS NAME
oh, the first love of his life he felt with no pain
stay

Stay, don't let HIM fade away
keep the fire burning LET HIM HAVE HIS WAY
stay

HE SEEN you at the altar, HE CHOSE you that day
to witness HIS LOVE and tell others OF HIS GRACE
stay

stay

HE'S A CARING LOVING FATHER AS HE WAS THAT DAY
all you have to do IS PRAY IN JESUS NAME
give it back to JESUS no matter how deep your pain
come on HE'S THE ONLY WAY TO sing
come on back to JESUS and sing
