Blindfold

Tina Karol

How, where do I begin?
Should Iâ€™ve got from the start or the end?
I wonâ€™t pretend to believe,
every word you supposedly said.

Youâ€™re all in,
where we know all of your sins.
How did I know?
Iâ€™ve had never loved no one,
never loved no one before.

You blindfold my eyes,
when you lock me inside.
All this pain doesnâ€™t stop me from loving again.

When I tried too high,
Youâ€™ll never find
Cause this game,
has me trapped in the darkness again.

All Iâ€™ve been searching for him,
and I donâ€™t know why.
Let me go, I donâ€™t want you to coming,
my heart wonâ€™t survive.

When youâ€™re all in,
when we know all of your sins.
How did I know?
Iâ€™ve never loved no one,
never loved no one before.

You blindfold my eyes,
lock me inside.
All this pain,
doesnâ€™t stop me from loving again!

When I try too high.
Youâ€™re never find.
Cause this game has me trapped in the darkness again.

I have never been in loved before,
Let those time,
wasnâ€™t enough to make me closer toâ€¦
Cause you have got my heart in,
You refuse to let it go,
and now I just donâ€™t know if I can take it anymore

When you blindfolded my eyes,
lock in inside.
All this pain,
doesnâ€™t stop me from loving again!

When I tried too high,
Youâ€™ll never find.
Cause this game, has me trapped in the darkness again.

Iâ€™ve had never loved no one,
never loved no one before.
