

Summer Days

The Jude

Summer
Summer is the time for lovers
Summer
Summer is the time for lovers Last day of school gonna blow this town
Cruise down the highway and were nowhere bound
Summer days
Are comin round Oooo Summer Days
Oooo Summer Days
Anywhere we wanna go Summer
Summer is the time for lovers
Summer
Summer is the time for lovers Summer girls they love to play
Headed to the valley not so far away
These endless nights
Are here to stay Oooo Summer Days
Oooo Summer Days
Anywhere we wanna go Well head down to Paradise Road at 6 a.m.
We get in trouble every now and then
Summer days are here again Oooo Summer Days
Oooo Summer Days These days
Summer days
