

# Moving Pictures

## The Crips

You'll sleep tonight  
Dream dreams where I would die  
It's alright, it's alright

They did not come true  
Although they will do, in time  
It's alright, it's alright

Fakes, liars and stars of moving pictures  
What's the difference? It's all, oh, oh  
Like all the parts that I'm not into  
But I see in you, oh, oh

Not real brown eyes look into mine  
But I was so shy  
It's alright

You'll sleep tonight  
Dream dreams where I would die  
It's alright, it's alright

Fakes, liars and stars of moving pictures  
What's the difference? It's all, oh, oh  
Like all the parts that I'm not into  
But I see in you, oh, oh

Guarded thoughts, firing off  
Parting shots, missing lots  
Guarded thoughts, firing off  
Parting shots, missing lots

Fakes, liars and stars of moving pictures  
What's the difference? It's all, oh, oh  
Like all the parts that I'm not into  
But I see in you, oh, oh

Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh
