

Riot Act

Rotten Bark

I never wanted to be President
Because it's nothin' but an ego trip, yeah
I didn't want your education
Because it's nothin' but a pile of shit
You bore me to death
So shut up for God's sake
Stop readin' me, 'The Riot Act'
While my brains are still intact
You say it's raining but you're pissin' down my back
So stop readin' me, 'The Riot Act'
I couldn't listen to a word you said
This goin' nowhere, thing is wearin' thin
When your sex, your drugs and your valid vic'
Is just the spit I wipe off my chin
I'd rather go nowhere
Than not know where it's at
Stop readin' me, 'The Riot Act'
While my brains are still intact
You say it's raining but you're pissin' down my back

So stop readin' me, 'The Riot Act'
I never wanted to be President
Because it's nothin' but an ego trip, yeah
I didn't want your education
Because it's notin' but a pile of shit
You bore me to death
So shut up for God's sake
Stop readin' me, 'The Riot Act'
While my brains are still intact
You say it's raining but you're pissin' down my back
So stop readin' me
Stop readin' me, 'The Riot Act'
While my brains are still intact
You say it's raining but you're pissin' down my back
So stop readin' me, 'The Riot Act'
The Riot Act
The Riot Act
The Riot Act
