

# I Was a Mad Man

## Poppy Brothers

i was a mad man  
i talked you off the ledge  
and if i hadn't  
you know we'd still be friends  
and if you ever want to see me again  
you know where i am  
i was whole then  
i was a part of your life  
you were my better half  
now i'm barely a slice  
you cut me out you had no right  
to treat me wrong when i was saving your life i must have been a bad man in another life  
bad man in another life  
bad man in another life  
what did i do to make you feel the way you do tonight? sorry i'm not sorry  
i still wish you all the happiness  
tough love wouldn't break your heart  
if it wasn't so brittle, miss  
longest run in the biz  
your drama plays out every night  
you can lean on me  
but you pushed me too far this time you had no right  
to treat me wrong when i was saving your life i must have been a bad man in another life  
bad man in another life  
bad man in another life  
what can i do to make you happy like you were back then? i must have been a bad man in another life  
bad man in another life  
bad man in another life  
what did i do to make you feel the way you do tonight?
