## The 69 Eyes

strangers in my dreams  
they never rise their eyes  
i try to turn on loose  
looking at the skies i turn on loose  
no time toulouse salut ca va  
salut ca va  
salut ca va  
she wore the highest heels  
the shortest skirt i've ever seen  
i try to turn on loose  
looking at her scene i turn on loose  
in marseille not toulouse  
salut ca va  
salut ca va  
salut ca va salut ca va  
miss pastis
