Brother

Green River Ordinance

Call me up in the dead an eye
Barely make your voice on the line
The fresh taste of the mistakes pray these words come out ride

Brother won't come back home
Tired when you did show
And you still so young to feel this soul

The silence broke with me holding hope
In the palm of my hand like a distant ghost
Tired and bored of keeping the score
Who's wrong, who's right don't care no more

Brother will come back home
Tired of when it show
You still show young to feel this road
The time's not wasted yeah
Brother won't come back home
Tired of when you show
You still so young to feel this soul
The time's not wasted
Yeah wasted, wasted

Lying in the dirt can't leave it behind you
Everything you were you

But I can still see laugh deep inside
Time to break free love you cannot undue
Cannot undue, cannot undue

Brother will come back home
Tired of when it show
You still show young to feel this road
The time's not wasted yeah
Brother won't come back home
Tired of when you show
You still so young to feel this soul
The time's not wasted
Yeah wasted, wasted
