

We'll Be Together (Extended Version)

Sandra

Days in blue
An' nights in fever
Fall in chinatown
Flames an' light
A silent fire
Not a single sound Who used to cry for love
Time an' time again
I used to cry for some love tonight An' we'll be together
With a little luck a little luck
We'll be comin' out of the dark
Say you will
Say you'll come my way An' this means forever
With a little luck a little luck
We'll be comin' out of the dark
Say you will
Say you'll come Night is cold
An' moon is flashin'
In a lonesome dance
I don't care
Cause you're beside me
I can take my chance It's like a wave
That touched my skin
An' i'll let you stay We'll be together
