Frustration

Pentagram

Lifes biggest frustration is you have to die
And when your gone will anybody care why
How long does it take to make you climb the wall
How long does it take to make you go insane

Well I'm going to find your breaking point
It shouldn't take too long - no
Well alright
Festive lights straight up ahead
Frustration and fright you'll soon be dead

Well I'm going to find your breaking point
It shouldn't take long - no
Look out
Festive lights straight up ahead
Frustration and fright you'll soon be dead
Festive lights straight up ahead
