

# Crush

Amerie

It's hard for me to say this,  
But I got a crush on you. Come on!!! I wish I could taste your love, lick it off of my fingertips,  
Boy what ya doing to me.  
I wish I could save your kiss, for some other girl to taste,  
To see the expressions on her face. Whenever you are near me,  
There's no other place I'd rather be.  
You're like a star that can't be reached,  
So near but so far,  
You are...[Chorus]  
I need your arms around me,  
Please let me be your everything,  
I'll be your girl for just tonight,  
Boy don't you know you are my \*Crush\* I wish I could wear your touch, like pumps when I'm dressing up,  
Without you I'm incomplete.  
I wish I could steal you boy, lock you up and throw away the key,  
'Cause you're the only one for me. Whenever you are near me,  
There's no other place I'd rather be.  
You're like a star that can't be reached,  
So near but so far,  
You are...[Chorus]  
I need your arms around me,  
Please let me be your everything,  
I'll be your girl for just tonight,  
Boy don't you know you are my \*Crush\* (I want this sometimes) I wonder could you ever feel the same.  
(I get lost in your arms) Nothing else to see, because there's no-one here but me & you. [Chorus: x2] Ah Ah Ah  
Ahh  
Ah Ah Ah Ahh  
Ah Ah Ah Ahh
