

Bella Notte

Lou Monte

This is the night,
It's a beautiful night,
And we call it bella notte

Look at the skies,
They have stars in their eyes,
On this lovely bella notte

Take the love of your loved one,
You'll need it about this time,
To keep from falling,
Like a star, when you make that dizzy climb

For this is the night,
And the Heavens are right,
On this lovely bella notte

(Background)

And we call it bella notte

(Background)

On this lovely bella notte,
Take the love of your loved one,
You'll need it about this time,
To keep from falling,
Like a star
When you make that dizzy climb

For this is the night,
And the Heavens are right,
On this lovely bella notte
