# One Girl

## Trevor Jackson

I ain't worried bout being cool
You're my girl so I show you off
Though we might be young and foolish
But that's the only way we know how to do itIt's another time, rather different love
You never know when it's gon come
But I bet if I stick around
I'll steal your heart
(Pre-)'Cause you are, you are
You're way too hard to find
It's like I've been running for miles
Just searching for that one girl
Nothing but one girl
You and me would be perfect
This love thing I'm learning
I can have two or three
But I'd rather have you and me
Just one girl
Oh oh oh oh yeahhh
Could you be the one girl for me?
I ain't tryna say I got it all
But what I got girl I will share with youYea and I ain't tryna jump off topic
But girl you're flawless to me
You make me wanna go shop for you
Walking in that mall and I'll spend it all
And if you want the moon and the stars
I'll grab that for you
(Pre-)
'Cause you are, you are
You're way too hard to find
It's like I've been running for milesJust searching for that one girl
Nothing but one girl
You and me would be perfect
This love thing I'm learning
I can have two or threeBut I'd rather have you and me
Just one girl
Oh oh oh oh yeahhh
Could you be the one girl for me?
(Bridge)
They say it's so hard to be with one girl

Kinda like leaving the party early
All that will just go and hurt me
All I knowIt's gon be hard
But I'mma try and keep tryng until I find that
...one girl
You and me would be perfect
This love thing I'm learning
I can have two or three
But I'd rather have you and me
Just one girl
Oh oh oh oh yeahhh
Could you be the one girl for me?
This could be perfect, girl
Oh oh yea
