

Agreement

KITARO & Jon Anderson

Watching the world from our window of life
Can we see all there is that is real, that is right?
To the distance so far from our true understanding
Making us want more, making us see less
The fire
Making me clean, making me fly
Spinning me 'round and 'round
Spinning me 'round
The fire within your eyes
This mystic time I've known before
Once before the flame within my heart
Agreements made are now realized like before
Speaking of worlds driven far, far apart
How the innocence crushes the nature of things
To the point that we lose all we're trying to gain
Making us want more, making us see less
The fire
Making us clean, making us fly
Spinning us 'round and 'round
Spinning us 'round
The fire within your eyes
This mystic time I've known before
Once before the flame within my heart
Agreements made are now realized like before
The fire
Making us clean, making us fly
Spinning us 'round and 'round
Spinning us 'round
The flame
Making us clean, making me fly
Spinning me 'round and 'round
Spinning me 'round
Agreements of trust
Under the power of love we see
Agreements of faith
Under the power of love we know
Agreements of truth
Under the power of love we feel
Agreements of love
Under the power of love we see
Agreements of liberty
Under the power of love we know
Agreements to set you free
Under the power of love we feel
Agreements of trust
Under the power of love we see

Agreements of faith
Under the power of love we know
Agreements of truth
