

Don't Let Me Go

Goldfinger

Sending out another S.O.S
'Cause my head is such a mess
Gonna lay down in the bed I made
Turn around and face the strange
There are days I cannot find myself
And no one offers any help
Sending out another S.O.S
'Cause my head is such a mess Hang on, hang on, hang on
Don't let me go, don't let me go, don't let me go
Hang on, hang on, hang on
Don't let me go, don't let me go, don't let me go
Listen up, this ain't a comeback song
'Cause I've been here all along
You could say I lost my voice
But I have always made the choice
There's ones that hide themselves away
Hide behind the words they say
Listen up, this ain't a comeback song
'Cause I've been here all along Hang on, hang on, hang on
Don't let me go, don't let me go, don't let me go
Hang on, hang on, hang on
Don't let me go, don't let me go, don't let me go Sending out another S.O.S
'Cause my head is such a mess
Hang on, hang on, hang on
Don't let me go, don't let me go, don't let me go
Hang on, hang on, hang on
Don't let me go, don't let me go, don't let me go I'm not going anywhere
I'm not going anywhere
