

One Word

Elliott Yamin

I'm so into what you giving
And it feels so good to me
You're beautiful and critical
It's hard to live without you, baby
When I wake up in the morning
All I want to see is you
Heaven's blessing that He sent me
Unconditional and true
Girl, you mean the world to me
And I hope you understand
I will give you anything
And I'll do the best I can
To make you see what I see
One word is all I need to say exactly how I feel
One word, a single word that's from the heart and keeps it real
One word, and baby you know this one fits you to a tee
One word, all I can say is amazing, one word
Always there when I was going
Through all kinds of changes
You kept me lifted, said I'm gifted
And you know I'm gonna make it
So when you're tired and frustrated
You can always count on me
Girl, I love you and I want you

To know I'll be all you need
Girl, you gave the world to me
And you made me understand
You would give me anything
And you do the best you can
You are what I hope to be
One word is all I need to say exactly how I feel
One word, a single word that's from the heart and keeps it real
One word, and baby you know this one fits you to a tee
One word, all I can say is amazing, one word
I just wanna celebrate you, baby
And thank the Lord for sending you down to me
And your love's the reason why I believe
You're amazing, so amazing, just amazing to me

One word, one word, one word
One word, one word, one word
One word, one word, one word
All I can say is amazing
One word is all I need to say exactly how I feel
One word, a single word that's from the heart and keeps it real
One word, and baby I know this one fits you to a tee
One word, all I can say is amazing
