

# Paradise By The Dashboard Light

## Meat Loaf

Well, I remember every little thing as if it happened only yesterday  
Parking by the lake and there was not another car in sight  
And I never had a girl looking any better than you did  
And all the kids at school, they were wishing they were me that night  
And now our bodies are, oh, so close and tight  
It never felt so good, it never felt so right  
And we're glowing like the metal on the edge of a knife  
Glowing like the metal on the edge of a knife  
C'mon, hold on tight  
Oh, c'mon, hold on tight  
Thought it's cold and lonely in the deep dark night  
I can see paradise by the dashboard light  
Ain't no doubt about it we were doubly blessed  
'Cause we were barely seventeen and we were barely dressed  
Ain't no doubt about it, baby, got to go and shout it  
Ain't no doubt about it, we were doubly blessed  
'Cause we were barely seventeen and we were barely dressed  
Baby, doncha hear my heart you got it drowning out the radio  
I've been waiting so long for you to come along and have some fun  
Well, I gotta let you know no you're never gonna regret it  
So open up your eyes, I got a big surprise, It'll feel all right  
Well, I wanna make your motor run  
And now our bodies are, oh, so close and tight  
It never felt so good, it never felt so right  
And we're glowing like the metal on the edge of a knife  
Glowing like the metal on the edge of a knife  
C'mon, hold on tight  
Oh, c'mon, hold on tight  
Though it's cold and lonely in the deep dark night  
I can see paradise by the dashboard light  
Though it's cold and lonely in the deep dark night  
I can see paradise by the dashboard light  
You got to do what you can and let mother nature do the rest  
Ain't no doubt about it we were doubly blessed  
'Cause we were barely seventeen and we were barely  
We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night  
We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night  
We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night  
We're gonna go all the way tonight  
We're gonna go all the way  
And tonight's the night  
Okay, here we go, we got a real pressure cooker going here  
Two down, nobody on, no score, bottom of the ninth

There's the windup, and there it is, a line shot up the middle  
 Look at him go, this boy can really fly, he's rounding first and reallyTurning it on now, he's not letting up at all,  
 he's gonna try for  
 Second, the ball is bobbled out in center, and here comes the  
 Throw, and what a throw! He's gonna slide in head first, here he  
 Comes, he's out! No, wait, safe, safe at second base, this kidReally makes things happen out there, batter steps  
 up to the  
 Plate, here's the pitch, he's going, and what a jump he's got!  
 He's trying for third, here's the throw, it's in the dirt-safe at  
 Third! Holy cow, stolen base! He's taking a pretty big lead outThere, almost daring him to try and pick him off,  
 the pitcher  
 Glances over, winds up, and it's bunted, bunted down the third  
 Base line, the suicide squeeze is on, here he comes, squeeze  
 Play, it's gonna be close, holy cow, I think he's gonna make itStop right there! I gotta know right now  
 Before we go any further do you love me?  
 Will you love me forever? Do you need me?  
 Will you never leave me?Will you make me so happy for the rest of my life?  
 Will you take me away and will you make me your wife?  
 Do you love me? Will you love me forever?  
 Do you need me? Will you never leave me?Will you make me happy for the rest of my life?  
 Will you take me away and will you make me your wife?  
 I gotta know right now before we go any further  
 Do you love me? Will you love me forever?Let me sleep on it, baby, baby, let me sleep on it  
 Let me sleep on it and I'll give you an answer in the morning  
 Let me sleep on it, baby, baby, let me sleep on it  
 Let me sleep on it and I'll give you an answer in the morning  
 Let me sleep on it, baby, baby, let me sleep on it  
 Let me sleep on it and I'll give you an answer in the morningI gotta know right now, do you love me?  
 Will you love me forever? Do you need me?  
 Will you never leave me?Will you make me so happy for the rest of my life?  
 Will you take me away and will you make me your wife?  
 I gotta know right now before we go any further  
 Do you love me? And will you love me forever?What's it gonna be, boy? Come on  
 I can wait all night  
 What's it gonna be, boy? Yes or no  
 What's it gonna be, boy? Yes or noLet me sleep on it, baby, baby, let me sleep on it  
 Well, let me sleep on it, I'll give you an answer in the morningI gotta know right now, do you love me?  
 Will you love me forever? Do you need me?  
 Will you never leave me?Will you make me so happy for the rest of my life?  
 Will you take me away and will you make me your wife?  
 I gotta know right now before we go any further  
 Do you love me? Will you love me forever?Let me sleep on it  
 Will you love me forever?  
 Let me sleep on it  
 Will you love me forever?Praying for the end of time, Lord, I was crazed

And when the feeling came upon me like a tidal wave  
I started swearing to my God and on my mother's grave  
That I would love you to the end of time  
I swore that I would love you to the end of time So now I'm praying for the end of time  
To hurry up and arrive  
'Cause if I gotta spend another minute with you  
I don't think that I can really survive I'll never break my promise or forget my vow  
But God only knows what I can do right now  
I'm praying for the end of time, It's all that I can do  
Praying for the end of time so I can end my time with you It was long ago and it was far away  
And it was so much better that it is today  
When it was long ago and it was far away  
And it was so much better that it is today It was long ago and it was far away  
And it was so much better that it is today  
When it was long ago and it was far away  
And it was so much better that it is today It was long ago and it was far away  
And it was so much better that it is today  
When it was long ago and it was far away  
And it was so much better that it is today It was long ago and it was far away
