Die Alive

Tarja

Open up the night
Led by just a feeling
All around is light
Everything is healing

No more fate and no more mystery
Even as time falls away, I live my days
Every moment and its memory
Not only to survive to die alive

Overwhelming love
Heaven's just a feeling
Singing in my blood
Keeping me from kneeling

No more fate and no more mystery
Even as time falls away, I live my days
Every moment and its memory
Not only to survive to die alive

Die alive

No more fate and no more mystery
Even as time falls away, I live my days
Every moment and its memory
Not only to survive to die alive

Die alive
Die alive
