

# Die Alive

## Tarja

Open up the night  
Led by just a feeling  
All around is light  
Everything is healing

No more fate and no more mystery  
Even as time falls away, I live my days  
Every moment and its memory  
Not only to survive to die alive

Overwhelming love  
Heaven's just a feeling  
Singing in my blood  
Keeping me from kneeling

No more fate and no more mystery  
Even as time falls away, I live my days  
Every moment and its memory  
Not only to survive to die alive

Die alive

No more fate and no more mystery  
Even as time falls away, I live my days  
Every moment and its memory  
Not only to survive to die alive

Die alive

Die alive
