

# Anthony

## Alex Dead

Anthony, Anthony  
Oh, he said  
He can't love me  
But I think he can  
Yes, I think he can  
And I told him that  
Just before he ran  
Just before he ran  
Mmm, mmm  
Mmm, mmm  
And he's not lookin' back  
He's not lookin' back  
'Cause he doesn't want  
Anything I have  
Or anything I am  
Anthony, Anthony  
Oh, he said  
He can't love me  
Anthony
