

Born to Be My Baby

Bon Jovi

Rainy night and we worked all day
Both got jobs 'cause there's bills to pay
We've got somethin' they can't take away
Our love, our lives Close the door, leave the cold outside
I don't need nothin', when I'm by your side
We've got somethin' that'll never die
Our dreams, our pride My heart beats like a drum
(All night)
Flesh to flesh, one to one
(And its alright)
I'll never let go cause
Theres somethin' I know deep inside You were born to be my baby
I was made to be your man
We've got somethin' to believe in
even If we don't know where we stand
Only God knows the reason
But He must have had a plan
'Cause you were born to be my baby
And I was made to be your man Light a candle, blow the world away
Table for two on a TV tray
It ain't fancy, but that's okay
Our time, our way Hold me close baby, hang on tight
Buckle up baby for a bumpy ride
We're two kids hitchin' down this road of life
Our world, our fights If we stand side by side
There's a chance we'll get by
I know that you'll live
In my heart till the day I die You were born to be my baby
I was made to be your man
We have got to believe in
Even if we don't know where we stand
Only God knows the reason
But He must have had a plan
'Cause you were born to be my baby
And baby I was made to be your man Yeah my heart beats like a drum
(All night)
Flesh to flesh, one to one
(And its alright)
I'll never let go

There's somethin' I know deep inside You were born to be my baby

I was made to be your man

We've got somethin' to believe in

If we don't know where we stand

Only God knows the reason

But He must have had a plan

'Cause you were born to be my baby

And I was made to be your man
