

Salty Dog

Flogging Molly

I'll wait for you till I turn blue
There's nothin' more a man can do
Don't get your bollocks in a twist
Settle down, don't take a fit Ya drank with demons straight form Hell
They almost nearly won as well
Ya wiped the floor with victory
Then puked until you fell asleep Blackened was the banshee's wail
These boot will never fill her jail
So you crawled into an empty boat
For the Gulf of Mexico Till Cortez came an' when so did you
From the ashes charred and blue
Smellin' like a salty dog
Back from Hell where you belong Anarchy, the scourge of every sea
The Antichrist aboard a rig
With us your cutthroat thieves The ship went down we all near drowned
Ya stood there on the deck
Till the Spanish came and flogged yer arse
And dragged you from the wreck They threw a rope around yer neck
To watch you dance the jig of death
Then left ya for the starvin' crows
Hoverin' like hungry whores One flew down plucked out your eye
The other he had in his sights
Ya snarled at him, said leave me be
I need the bugger so I can see
