

# Graves Of The Tortured

## Fleshcrawl

Graves of the tortured  
Burning in pain  
Night of the living dead  
Twisted, insane  
Rise of the haunted  
Visions in black  
I am the chosen one to desecrate Visions from the past  
In blood and gore I last Creatures from beneath, rising from the deep  
Rotting in decay,  
Hell is the place I will stay Kill you to survive  
Burning your skill and your eyes  
Sucking your blood from your heart  
Soon your life falls apart  
Rush of blood drives me on  
Cutting the flesh from your bones  
Take out your guts  
Disembowel  
Visions in black of your soul
