

Bad Attitude

Wampire

I'm at the arcade, I'm playing games
Chewing bubble gum, my shirt's got stains
That's when I see her standing there
She's looking real good, she's looking fine
She's looking over here, I catch her eye
Now she's walkin' a little closer
She's got a bad attitude, she's got a bad attitude
She's got a bad attitude, she's got a bad attitude
She's got a bad attitude, she's got a bad attitude I don't know what to do
She's wearing ripped jeans, her boots are on
Not the kind of girl, take home to mom
And I want it so bad
She likes the mean game, I like it too
That is something that I naturally do
Oh it comes so natural
She's got a bad attitude, she's got a bad attitude
She's got a bad attitude, she's got a bad attitude
She's got a bad attitude, she's got a bad attitude I don't know what to do
She's got a bad attitude, she's got a bad attitude
attitude
She's got a bad attitude, she's got a bad attitude
She's got a bad attitude, she's got a bad attitude I don't know what to do
