

# The Joy Decoys Are Coming

## Scarlet

Advisory - the following lyrics contain explicit language:

The joy decoys are coming. Dirty as a dollar and twice as numbing.  
Backstabbing salesmen telling you ho to feel. Door to door gunpoint.  
Selling you flesh to the meat markets and running.  
If you want love, you can buy love. Everyone is for sale.  
They are making you kneel. The rip off artists are coming.  
Sleazy used car salesmen telling you how to feel. Your devil in a three-piece suit is here.  
His gun cocked to shoot who is near.  
Selling your soul one dollar at a time.  
You are the money hungry prostitute swine.  
You are the money hungry prostitute swine.  
Open your legs and recite these lines.
