Hey! Hey! Hey!

The Stanley Brothers

I saw you last night in my dreams, love
I awoke as the clock was strikin' four
But I didn't think that I'd meet you
And now as you walk through the doorCome sit here with me, little darlin'
And allow me to sing
I love you, sweetheart, I love you
Hey! Hey! Hey! HeyAs you stood there before me, I wondered
If I'd ever get you off of my mind
And the tears filled my eyes when you vanished
With your golden curls that hung down behindCome sit here with me, little darlin'
And allow me to sing
I love you, sweetheart, I love you
Hey! Hey! Hey! HeyWon't you come back to me in my dreams, love?
Some dark night when I'm here all alone
Would you tell me sweetheart that you love me?
Some dark night when I'm here all aloneCome sit here with me, little darlin'
And allow me to sing
I love you, sweetheart, I love you
Hey! Hey! Hey! Hey
