Yippy Ky Yay

Lila McCann

Hey pretty boy whatcha pullin' on me
Ya think you got it all wrapped up
Lyin' in the shade of the sycamore tree
Sorry but it just ain't enoughYou gotta do better than talk the big talk
Or an occasional courtesy call
I ain't seen roses and I ain't seen a thing
Of what love's got to do with it allIf you wanna steal a kiss
Then you've gotta steal a piece of my heart
You're a pretty little boy but a fumblin' fool
If you're goin' for a tumble in the darkMy, oh my have you got a lot to learn?
You've got to wrap me up in romance
Before you crash and burn
And if you never call me to blow my heart awayYippy ky yay
(Yippy yippy yippy yippy yippy ky yay)
(Yippy yippy yippy ky yo)
(You wanna dance to the rhythm of a country girl)
(Boy you got a long way to go)Would it hurt so much to open my door
Or send me a flower or two
'Cause I believe in love like the good book says
Not the gospel according to youYou can't two-step around step number one
And then skip down to three and four
You can't touch me with a ten-foot pole
'Til you back off a little bit moreIf you wanna steal a kiss
Then you've gotta steal a piece of my heart
You're a pretty little boy but a fumblin' fool
If you're goin' for a tumble in the darkMy, oh my have you got a lot to learn?
You've got to wrap me up in romance
Before you crash and burn
And if you never call me to blow my heart awayYippy ky yay
(Yippy yippy yippy yippy yippy ky yay)
(Yippy yippy yippy ky yo)
(You wanna dance to the rhythm of a country girl)
(Boy you got a long way to go)I know what you want
And there are times I want it too
But I'm lookin' for a gentleman
Who knows just what to doAnd I can take the boots and jeans
And even your beat-up Cadillac
But when it comes to what a woman needs
You ain't no Cary GrantHey, hey, oh

My, oh my have you got a lot to learn?
You've got to wrap me up in romance
Before you crash and burn
And if you never call me to blow my heart awayYippy ky yay
(Yippy yippy yippy yippy yippy ky yay)
(Yippy yippy yippy ky yo)
(You wanna dance to the rhythm of a country girl)
(Boy you got a long way to go)Yippy ky yay
(Yippy yippy yippy yippy yippy ky yay)
(Yippy yippy yippy ky yo)
(You wanna dance to the rhythm of a country girl)
(Boy you got a long way to go)
Yippy ky yay baby
