[Hook]

They been watching me
Cause i been doin' thangs
I'm seein' faces change
Cause i been makin' change
So they been watching me
Cause i been doin' thangs
I'm seein' faces change
Cause i been makin' change[Verse 1]

Been at this force in time
I ain't really [?] they border line
My chick's bad yours sortta' fine
I don't know who wants this more than i
They keep saying that i live without the L
[?]

Shit, i got hella gas without the shell, woah
Had it well before the wealth, now i'm doing well now
Every show i shut down
[?]

Ima' knock it out, really knock it out
I'm talkin' very bombs goin' around
Doing more than i'm allowed

They say "you never asked for permission"
But they asked for forgiveness
