

Shine

Cracker

You could never be
What you wanted to be
'cause sweetheart it takes time
Someday you're gonna shine
You'll see You'll be a russian acrobat
You'll be like burt bacharach
You come to the party, you say "what's new pussycat? "
Someday you're gonna shine
You'll see Don't wanna talk about it
You come around to tell it
You're beautiful can't you see?
Someday you're gonna shine
You'll see (someday you're gonna shine)
(someday you're gonna shine) Someday you're gonna shine Someday you're gonna shine (aaah)
Someday you're gonna shine Someday you're gonna shine (you're gonna) (aaah)
Someday you're gonna shine Someday you're gonna shine (aaah)
Yeah someday you're gonna shine (you're gonna shine) Repeat with ad libs to fade
