Walking In The Rain

The Ronettes

I want him and I need him
And someday, someway
I'll meet himHe'll be kind of shy
But real good lookin' too
And I'll be certain he's my guy
By the things he'll like to doLike walking in the rain
And wishing on the stars up above
And being so in loveWhen he's near me, I'll kiss him
And when he leaves me
I'll miss himThough sometimes we'll fight
But I won't really care
And I'll know it's gonna be alright
'Cause we've got so much we shareLike walking in the rain
And wishing on the stars up above
And being so in loveJohnny
No, no he'll never do
Bobby
No it isn't him too
They would never
No they'd never, never, ever loveWalking in the rain
And wishing on the stars up above
And being so in loveOh oh, where can he be? Oh oh
I've been wishing and hoping
Where can he be?
