We Have all The Time in the World

Louis Armstrong

We have all the time in the world
Time enough for life
To unfold all the precious things
Love has in storeWe have all the love in the world
If that's all we have you will find
We need nothing moreEvery step of the way
Will find us
With the cares of the world
Far behind usWe have all the time in the world
Just for love
Nothing more, nothing less
Only loveEvery step of the way
Will find us
With the cares of the world
Far behind us, yesWe have all the time in the world
Just for love
Nothing more, nothing less
Only loveOnly love
