

Lazy Days

[Leona Naess](#)

Why can't you be with me
Watching American TV?
We'll order in Chinese
And ask the world to stay away, please These hotels grow so stale
Telling the same ass-tale
By the time I get to you
I'll be too tired to Soak up some lazy days
No one can rain on our parade
Standing here beneath the shade
Of our love Let's slide down the avenue
Like good New Yorkers do
Maybe then I'll believe
When you give, man, you receive Soak up some lazy days
No one can rain on our parade
Standing here beneath the shade
Of our love Wide-eyed and stupid
I'm waitin' for the arrows of cupid
Wide-eyed and stupid
I'm waitin' for the arrows of cupid
Wide-eyed and stupid
I'm waitin' for the arrows of cupid
Wide-eyed and stupid
I'm waitin' for the arrows of your love
Your love
Your love Soak up some lazy days
