Adapt Or Die

Forbidden

Get in line or lead the way
Below the grinding gears of war, adapt or die
Powers bought and sold
Choose a side then stand your ground or run awayIt's done, prepare yourself the ending has begun
It's done, this is the beginning of the end
Adapt or dieDisseminate blinding one by one
Riding on the coat tails of destruction
Follow or lead the way
Choose a side then stand your ground or run awayEnd times we fear, wearing shades of arrogance
Blood river of tears, clock turns past our time
The world rejects mankind, the earth swallows
Feeling emptiness, no one is safe
Souls crushed in a wake, we're leveledLift your head or hide in shame
Below the grinding gears of war adapt or die
Deviate, change the game
Choose a side then stand your ground or run awayIt's done, prepare yourself the ending has begun
It's done, this is the beginning of the end
