

So You'll Aim Toward the Sky

Grandaddy

So you'll aim toward the sky
And you'll rise
High today, fly away
Far away, far from pain So you'll aim toward the sky
And you'll rise
High today, fly away
Far away, far from pain So you'll aim toward the sky
And you'll rise
High today, fly away
Far away, far from pain So you'll aim toward the sky
And you'll rise
High today, fly away
Far away, far from pain
