

Eddie Vedder

Jay Mohr

[illegible]

You're as good as dead
You're as good as dead
You're as good as dead
That's it, I quit, I don't
Give a shit
You go ahead
As good as dead
You go ahead
As good as dead
You go ahead
As good as dead
You go ahead
As good as dead
You go ahead
As good as dead
You go ahead
As good as dead
Coming to a head
You're as good as dead
