

# A Heart Like Mine

Dwight Yoakam

I saw you coming, you saw me  
And took off running  
Shells in your eyes,  
What such sweet disguise  
I wonder why, you never try  
To understand a heart like mine Whoa I didn't waste the time  
'Cause a love, so hard to find  
So is what you see  
You're in love, belong to me  
Oh I, I wonder why, you never try  
To understand a heart like mine Oh I, I wonder why, you never try  
To understand a heart like mine  
Whoa I wonder why, you never try  
To understand a heart like mine A heart like mine, a heart like mine  
A heart like mine,  
A heart like mine  
A heart like mine, a heart like mine  
A heart like mine, a heart like  
A heart, a heart like  
A heart, a heart like  
A heart, a heart, a heart like mine
