

# No Way

## MonoPoleJoe

[Chorus:]

No way no weapon is formed shall prosper  
No way no weapon is formed shall prosper  
No...

It just won't work  
It just won't work  
No way

Tried to tear me down but I'm still standing  
Wanted what I have but I'm sustaining  
Scandalized my name, tried to bring me shame  
But there is no way

[Chorus]

I am more than a conqueror  
Through Christ that loves me  
That's why I'm still here  
I have already been set free

[Chorus]

It just won't work
