Click Click Boom

Saliva

All those Saturdays when kids go out and play
Yo, I was up in my room I let the stereo blaze
Wasn't faded, not jaded, just a kid
With a pad and pen and a big imagination
All this, I seek, I find, push the envelope to the line
Make it, break it, take it, until I'm overrated
Click, click, boom
I'm comin' down on the stereo, hear me on the radio
Click, click, boom
I'm comin' down with the new style and you know it's buck wild
Click, click, boom
I'm on the radio station tourin' the nation, leavin' the scene in devastation
I can see it in my mind
I can see it in their eyes
It's close enough to touch it now
But far away enough to die
What the hell is wrong with me?
My mom and dad weren't perfect
But still you don't hear no cryin'-ass bitchin' from me
Like there seems to be on everybody's CD
So just sit back and relax and let me have your head for a minute
I can show you somethin' in it that has yet to be presented, oh yeah
Click, click, boom
I'm comin' down on the stereo, hear me on the radio
Click, click, boom
I'm comin' down with the new style and you know it's buck wild
Click, click, boom
I'm on the radio station tourin' the nation, leavin' the scene in devastation
Why've I clouded up my mind?
Why's my mother always right?
And will I make it 'til the end
Or will I crawl away and die?
Click, click, boom
Click, click, boom
Click, click, boom
Click, click, boom
All those Saturdays when kids go out and play
Yo, I was up in my room, I let the stereo blaze
On Saturdays, when kids go out and play

I was up in my room, I let the stereo blaze
It's all inside of me, it's all inside of me
It's all inside of me, it's all inside my head
It's all inside of me, it's comin' over me
It's all inside of me, it's all inside my head, yeah
Click, click, boom
I'm comin' down on the stereo hear me on the radio
Click, click, boom
I'm comin' down with the new style and you know it's buck wild
Everybody, everybody, come on
(Come on, come on)
Everybody come on
(Come on, come on)
Click, click, boom
(Come on, come on)
Everybody come on
(Come on, come on)
Click, click, boom
(Come on, come on)
Everybody come on
(Come on, come on)
Click, click, boom
(Come on, come on)
Everybody come on
(Come on, come on)
