

Love Is Blindness

[**Jacquie Lee**](#)

Love is blindness, I don't want to see
Won't you wrap the night around me?
Oh, my heart love is blindness.I'm in a parked car, on a crowded street
And you see your love made complete.
The thread is ripping, the knot is slipping
Love is blindness.Love is clockworks and it's cold steel
Fingers too numb to feel.
Squeeze the handle, blow out the candle
blindness.Love is blindness, I don't want to see
Won't you wrap the night around me?
Oh, my love,
Love is blindness.A little death without mourning
No call and no warning
Baby, a dangerous idea
Almost makes sense.Love is drowning in a deep well
All the secrets, and nobody else to tell.
Take the money, why don't you honey...
Blindness.Love is blindness, Im so sick of it
Won't you wrap the night around me now?
Oh, my love,
Love is blindness.Squeeze the handle, blow out the candle
Blindness
