Transistors Gone Wild

The Network

This is age of make-believe
Or a reality series
Television, murder city
Dreaming of tomorrow
Am I alive or fantasy?

Give me murder give me loss
Turn the cities into dust man

My brain is melting
And it smells like a volcano

Japanimation surgery
Drinking nuclear energy
Reservoir spewing toxic
Shout!
There's no tomorrow
Drinking nuclear energy

Give me murder give me loss
Turn the cities into dust man

My brain is melting
And it smells like a volcano

Give me murder give me loss
Transistors
Transistors gone wild
